

In the name of Allah, the Most Merciful, the Most Kind

Dear brothers and sisters,

Peace be upon you

We salute young men such as Captain Omerzeb Shaheed who do not hesitate to give their life for this Pak Sarzameen. They leave behind their families and loved ones in tears and pain for a greater destiny and purpose chosen for them by Allah. Their life is their Passion and love for this Pak Homeland. Their Ishq and Junoon for Pakistan knows no boundaries... it is Sons like these who help us Pakistanis sleep safely each night in our homes because we know they are awake guarding the Nation. Blessed are the Mothers who bear such Sons. Proud should be such Fathers whose Sons attain the Great Darja-e-Shahadat. The sacrifices made by the Sons of this Nation and their families will not go wasted. May Allah give him highest Darja in Jannat al Firdous and bring patience to their Family.

Pak Fauj Zindabad!
